WHY JOIN TOTEM?

In 1967 when several ASD secretaries got together to form an association to improve educational opportunities and working conditions for the educational and instructional support personnel of ASD, TOTEM Association became a voice for those employees and we continue to pride ourselves on being a member-run organization.

We believe that active membership is the best way to protect your employment interests. The whole premise of being a member of a Union is that there is strength in numbers. In contract negotiations, a collective voice is more powerful than any one individual. Member involvement is essential to our success. It is our sincere hope that you will join us by committing to being a TOTEM member. By standing together, we can ensure we keep our collective voice, contract and benefits.

The TOTEM Membership Drive will be held between Feb. 7th - Feb. 23rd
